Dear Sir:

This paper is in response to the Advisory Action mailed October 6, 2004. The Final Office Action was mailed on May 21, 2004, and the first reply (Amendment After Final) was sent on July 8, 2004. Because the Amendment After Final was mailed within two months of the mailing of the Final Office Action, and the Advisory Action was not mailed until after the three month shortened statutory period for reply to the Final Office Action, the shortened statutory period expired on the date that the Advisory Action was mailed, namely October 6, 2004, and the extension period under 37 CFR 1.136(a) will be calculated from the mailing date of the Advisory Action. As such, Applicants request a two-month extension of time as indicated on the accompanying Fax Transmittal Letter, thus extending the deadline for response to November 21, 2004 (the six month statutory deadline).

Please consider the following amendments and remarks:

Amendments to the Claims are reflected in the listing of claims, which begins on page 3 of this paper.

Remarks/Arguments begin on page 13 of this paper.
